

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

KENTUCKY RURAL WATER ASSOCIATION)	
REQUEST FOR APPROVAL OF CONTINUING)	CASE NO. 2016-00219
EDUCATION CREDIT FOR COMMISSIONERS)	

ORDER

Kentucky Rural Water Association (“KRWA”) has applied for accreditation and approval of a training session held at the McCreary County Water District in Whitley City, Kentucky, on June 2–3, 2016. Two sessions were held on June 2, 2016, at which water district commissioners could earn up to six credit hours of training. Three sessions were held on June 3, 2016, at which water district commissioners could earn up to six credit hours of training. These training sessions provide useful information to attendees to help them better perform their role as a utility professional and to enhance operations at their facilities.

This Commission is required to “encourage and promote the offering of high quality water district management training programs that enhance a water district commissioner’s understanding of his or her responsibilities and duties.”¹ Having reviewed KRWA’s application, the Commission finds that the presentations will enhance a water district commissioner’s understanding of his or her responsibilities and duties and should be approved for a maximum of 12 hours of water district management training.

¹ KRS 74.020(7)(c).

IT IS THEREFORE ORDERED that the presentations at the training sessions held by KRWA at the McCreary County Water District in Whitley City, Kentucky, on June 2-3, 2016, are accredited and approved for a maximum of 12 credit hours of water district management training.

By the Commission
